

## CITY OF LODI

## COUNCIL COMMUNICATION

**AGENDA TITLE:** Adopt a Resolution Authorizing the City Manager to Execute a Professional Services Agreement with Blymyer Engineering, Inc., of Alameda, for the Final Design and Engineering and Construction Management for the Municipal Service Center (MSC) Compressed Natural Gas (CNG) Station (\$24,500); and Appropriate Funds for the Project

**MEETING DATE:** June 6, 2001

**PREPARED BY:** Public Works Director

**RECOMMENDED ACTION:** That the City Council authorize the City Manager to execute a contract with Blymyer Engineering, Inc., of Alameda, for the final design and engineering and construction management for the Municipal Service Center (MSC) Compressed Natural Gas (CNG) station; and appropriate funds for the project.

**BACKGROUND INFORMATION:** The City Council previously authorized the City Manager to negotiate a professional services agreement with All Fuels, Inc., for preliminary engineering and design for the MSC CNG station.

The final design and engineering will consist of mechanical drawings for conventional fuel system/fueling island modifications; mechanical drawings for shop up-grade; electrical drawings, mechanical drawings, civil drawings and calculations for CNG Fueling system; and modification to existing mechanical and electrical drawings.

The MSC CNG station will provide fuel for all CNG transit buses, all heavy-duty CNG trucks and all CNG light- to medium-duty cars and trucks. It is estimated that the City of Lodi will realize significant fuel savings for these vehicles. Current estimates are for a fuel savings of 50%. The fueling island will see upgrades for all fuels as well. A new card reader will reduce labor time that is currently used to manually input all fuel transactions. New electronic fueling dispensers will be installed for gasoline and diesel as well.

**FUNDING:** Funding for this phase: \$24,500 Federal Transit Administration (FTA)

Funding Available: *Ruby R. Pate for*  
Vicky McAthie, Finance Director

*for* *Richard C. Prima, Jr.*  
Public Works Director

SUBJECT: Adopt a Resolution Authorizing the City Manager to Execute a Professional Services Agreement with Blymyer Engineering, Inc., for the Final Design and Engineering and Construction Management for the Municipal Service Center (MSC) Compressed Natural Gas (CNG) Station (\$24,500); and Appropriate Funds for the Project

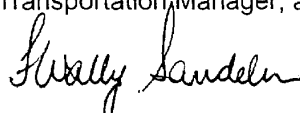

Enclosed is a copy of background information on an item on the City Council agenda of Wednesday, June 6, 2001. The meeting will be held at 7 p.m. in the City Council Chamber, Carnegie Forum, 305 West Pine Street.

This item is on the consent calendar and is usually not discussed unless a Council Member requests discussion. The public is given an opportunity to address items on the consent calendar at the appropriate time.

If you wish to write to the City Council, please address your letter to City Council, City of Lodi, P. O. Box 3006, Lodi, California, 95241-1910. Be sure to allow time for the mail. Or, you may hand-deliver the letter to City Hall, 221 West Pine Street.

If you wish to address the Council at the Council Meeting, be sure to fill out a speaker's card (available at the Carnegie Forum immediately prior to the start of the meeting) and give it to the City Clerk. If you have any questions about communicating with the Council, please contact Susan Blackston, City Clerk, at (209) 333-6702.

If you have any questions about the item itself, please call Carlos Tobar, Transportation Manager, at (209) 333-6800, extension 2678.
